FIVE NAVY MEDICINE MOMENTS IN JULY 2017 [PHOTOS]

Every day, more than 63,000 Navy Medicine personnel are operating forward around the world, providing agile and rapid health care support to the Navy and Marine Corps. Saving lives wherever our forces operate is what we do, be it above the sea, on the sea, below the sea or on the battlefield. The following photos depict important events and our medical professionals at work during July 2017.

MEDITERRANEAN SEA (July 11, 2017) Hospital Corpsman 1st Class Christina Sizemore, left, and Ships Surgeon Lt. Cmdr. Krista Puttler perform surgery aboard the aircraft carrier USS George H.W. Bush (CVN 77). The ship and its carrier strike group are conducting naval

operations in the U.S. 6th Fleet area of operations in support of U.S. national security interests in Europe and Africa. (U.S. Navy photo by Mass Communication Specialist 3rd Class Joe Boggio/Released)

NAPOLEONVILLE, La. (July 12, 2017) Hospital Corpsman 3rd Class Dumbuos Asigri, assigned to the 4th Dental Battalion, 4th Marine Logistics Group, Marine Forces Reserve, examines X-rays for clarity during Innovative Readiness Training Louisiana Care 2017 at Assumption Community Center in Napoleonville, La., July 12, 2017. The Louisiana Care IRT event is a joint-service medical mission that provides service members the opportunity to increase public awareness and understanding of the Marine Corps and Navy while increasing overall training and readiness.
